The White House
1600 Pennsylvania Avenue, NW
Washington, D.C. 20500

Dear Mr. President,

On behalf of the National Fraternal Order of Police (FOP) and the International Association of Chiefs of Police (IACP), we are writing to provide you a copy of the attached statement announcing our organizations' commitment to join together to address gun policy and reduce violence in our communities.

As the statement makes clear, our organizations, which represent our nation's chiefs and the majority of our rank-and-file officers, believe that it is imperative that we identify workable solutions that will allow us to dramatically reduce the numbers of Americans killed by gun violence. To that end, the IACP and FOP stand ready to work with any and all interested parties who share our commitment to building a safer future for our communities.

We look forward to working with you on this critical matter.

Sincerely,

Dwight Henninger
President
International Association
of Chiefs of Police
